Fundraiser report:

The wall ball project submitted by the high school was approved and should begin construction this summer. Any money we raise to assist in the project will go to replenish their reserves as it all went into the project so far.

The current plan is to pursue fund raising over sponsorship

There is a Booster Club meeting on 1/29 where plans for our supplemental storage shed can be raised and discussed. New fencing is another topic that will be on their agenda. We may inquire if a fundraising goal of \$5000 is met by start of fall season in September to be put toward the wall's construction, could we be allowed to construct the shed inside that new fencing.

MS Summer league considered with 1 tournament. Asheville and Chattanooga events are both available to us

Consider a change to the Bilaws that would allow for a vote by board members to keep the acting group president on until such time as a suitable replacement is found to fill the position

Start of Season Parent meeting will be scheduled at the end of the last Cool Sports practice, the evening of 2/23

Meeting closed at 6:10p

Next meeting to be held 2/19
